

Patrick Henry Wrestling T-Shirt Sponsorship

Patrick Henry High School serves kids from Del Cerro, San Carlos, Allied Gardens, Mission Valley and the College Area as well as other areas of town. We are located at 6702 Wandermere Dr, San Diego, CA 92120. It is the largest high school in San Diego Unified district. Patrick Henry Wrestling has a rich history of continued excellence. Excellence that was exhibited in 2022-2023 by having 2 state qualifiers. Henry wrestling finished 9th in the County, 9th at CIF and 3rd in the City Conference. The result is a reflection of the hard work the wrestlers put in and the support of the community. We average over 100-200 spectators a match and travel to tournaments throughout Southern California. We are asking you and your business to be part of our 2023-2024 season by sponsoring our season through a T-Shirt Sponsorship to raise funds for entry fees to the tournaments for the boys, girls, JV and freshman teams..

We want to have the opportunity to represent some of San Diego's finest businesses this year as we wrestle all throughout the city, county and state! Your sponsorship will allow you to have your company's logo printed on the back of the team t-shirt along with placed on the team website, social media and hung on a banner in the gym during home matches. We hope you will join us this year and be a part of our success
