# 2025-26 SEASON WRAP UP

As we conclude the season, it is important to step back and take into account what has just transpired. Over 208+ matches wrestled, 136 individual wins, 9-5 team record, 3 League Champions, 7 CIF Placers, 1 CIF Champion, 3 Masters Placers. Multiple state ranked athletes. Those are the stats, but they don't tell the whole story.

More important than the wins and losses was the team commitment to each other, to their school and their families. They represented our community as competitors on the mat, academically in the classroom (3.2 Team GPA), and as role models throughout our city. As a coaching staff we couldn't be more proud of their accomplishments and doing things the right way, the Patriot way.

Behind these great student athletes is a support network of families, coaches, administration, volunteers, alumni, sponsors, and supporters. It truly takes a village, and as a team we are incredible grateful for the support we have received.

Thank you all for being a part of this journey. We will enjoy some well earned rest and then its into the offseason training to continue to learn, improve, and build upon our past success.
